RELEVANT EXPERIENCE

Freelance Web Developer
Freelance | Union City, CA | 2016 – Present

Create web projects for local individual and small business clients from pre-production (research and consulting, visual design procedures) to post-production and maintenance.

Web Developer & Hosting Support
Little Dancer Web Hosting | Lothian, MD (remote) | 2014 – Present

Currently serving as a web developer for Little Dancer Web Hosting, a small but rapidly growing web hosting company providing both free and paid hosting packages for personal and commercial websites. Create wireframes and mockups for the company's website as well as maintaining the site's quality and upkeep. Occasionally offer technical support for the company's customers with their website designing inquiries.

Production Artist
Motorola, Inc. | Alameda, CA | 2008 – 2009

Developed small business websites for small and private businesses using the company's proprietary web development software. Created graphic templates for the software's website template library. Redesigned existing small business websites. Part-time QA testing on completed websites.

Web Designer
Spokeo, Inc. | Mountain View, CA | 2006

Drafted web design mockups for the company's upcoming social networking service. Created flyers to recruit public beta testers prior to the site's official launching.
